

DATE: November 20, 2003

SUBJECT: Presentation of the East Tennessee State University, Tennessee Technological University, and Southwest Tennessee Community College Master Plans

ACTION RECOMMENDED: Approval

BACKGROUND INFORMATION:

The update to the 1999 Campus Master Plan for East Tennessee State University will be presented to the Commission for review and action.

A new Campus Master Plan for Tennessee Technological University will be presented to the Commission for review and action. The previous master plan was approved 1992.

The new Campus Master Plan for Southwest Tennessee Community College will be presented to the Commission for review and action. Southwest Tennessee Community College was founded in July 2000 through the merger of Shelby State Community College and the State Technical Institute at Memphis.

Mr. Jerry Preston and Mr. Carl Manka from the Tennessee Board of Regents staff will present the Campus Master Plans to the Commission.
